Version: 1.0

Effective Date: November 9 2025

Last Updated: November 9 2025

Upon submission of a contribution ("Contribution") to the FinLang project ("Project"), maintained by FinLang Ltd ("Company").

1. Purpose

This Contributor Licence Agreement ("CLA") defines the legal terms under which you contribute code, documentation, or other material to the Project. It ensures FinLang Ltd can include your work in both:

1. The open-source AGPL v3 Community Edition, and
2. The commercial editions distributed under FinLang Ltd's proprietary licence.

2. You Retain Copyright

You keep the copyright to your own work. By signing this CLA, you grant FinLang Ltd the rights described below — you do not transfer ownership of your Contribution.

3. Licence Grant to FinLang Ltd

You grant FinLang Ltd a perpetual, worldwide, non-exclusive, royalty-free licence to:

- Use, copy, modify, and distribute your Contribution under the GNU AGPL v3 licence, and
- Use, copy, modify, and distribute your Contribution under commercial licences issued by FinLang Ltd.

Patent Grant:

Subject to the terms of this Agreement, you hereby grant FinLang Ltd a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated here) patent licence to make, have made, use, offer to sell, sell, import, and otherwise transfer your Contribution, where such licence applies only to those patent claims licensable by you that are necessarily infringed by your Contribution alone or by combination of your Contribution with the Project.

4. Your Representations and Warranties

You confirm that:

1. Each Contribution is your original work, or you have the right to submit it.
2. You are legally entitled to grant this licence.
3. Your Contribution does not knowingly infringe any third-party rights.
4. If your Contribution includes third-party code: You have clearly identified it, documented its licence, and ensured that licence is compatible with AGPL v3.
5. You agree that submissions to the Project will be publicly available and licensed under the terms above.

5. Corporate Contributions

If you are contributing on behalf of your employer or another organisation: You represent that you have full authority to enter into this CLA on its behalf. "You" and "your" will then refer to that entity.

6. No Compensation or Obligation

Signing this CLA does not entitle you to payment or employment by FinLang Ltd. You contribute voluntarily and retain credit in the public changelog and contributor list.

7. No Warranty

All Contributions are provided "as is" without warranty of any kind, express or implied.

8. Termination

This agreement remains in effect indefinitely for your Contributions. You may stop contributing at any time; existing Contributions remain under this CLA.
